

*Christmas and looking ahead  
to the New Year at MBNS*

# Face the future

**Have you noticed how more of your acquaintances are looking so much younger nowadays? MBNS Clinic is no longer the best kept anti-ageing clinic that it used to be!**

People from all over the country as well as Oxfordshire continue to treasure the wonderful medical cosmetic services that the MBNS specialist nurses do so well.

MBNS report that more and more of their clients are now asking for the Sculptra® injection face lift as well as the tried and tested frown-relaxing and dermal filler treatments. Even men are taking advantage of three short treatments to give their face a lift that lasts three whole years.

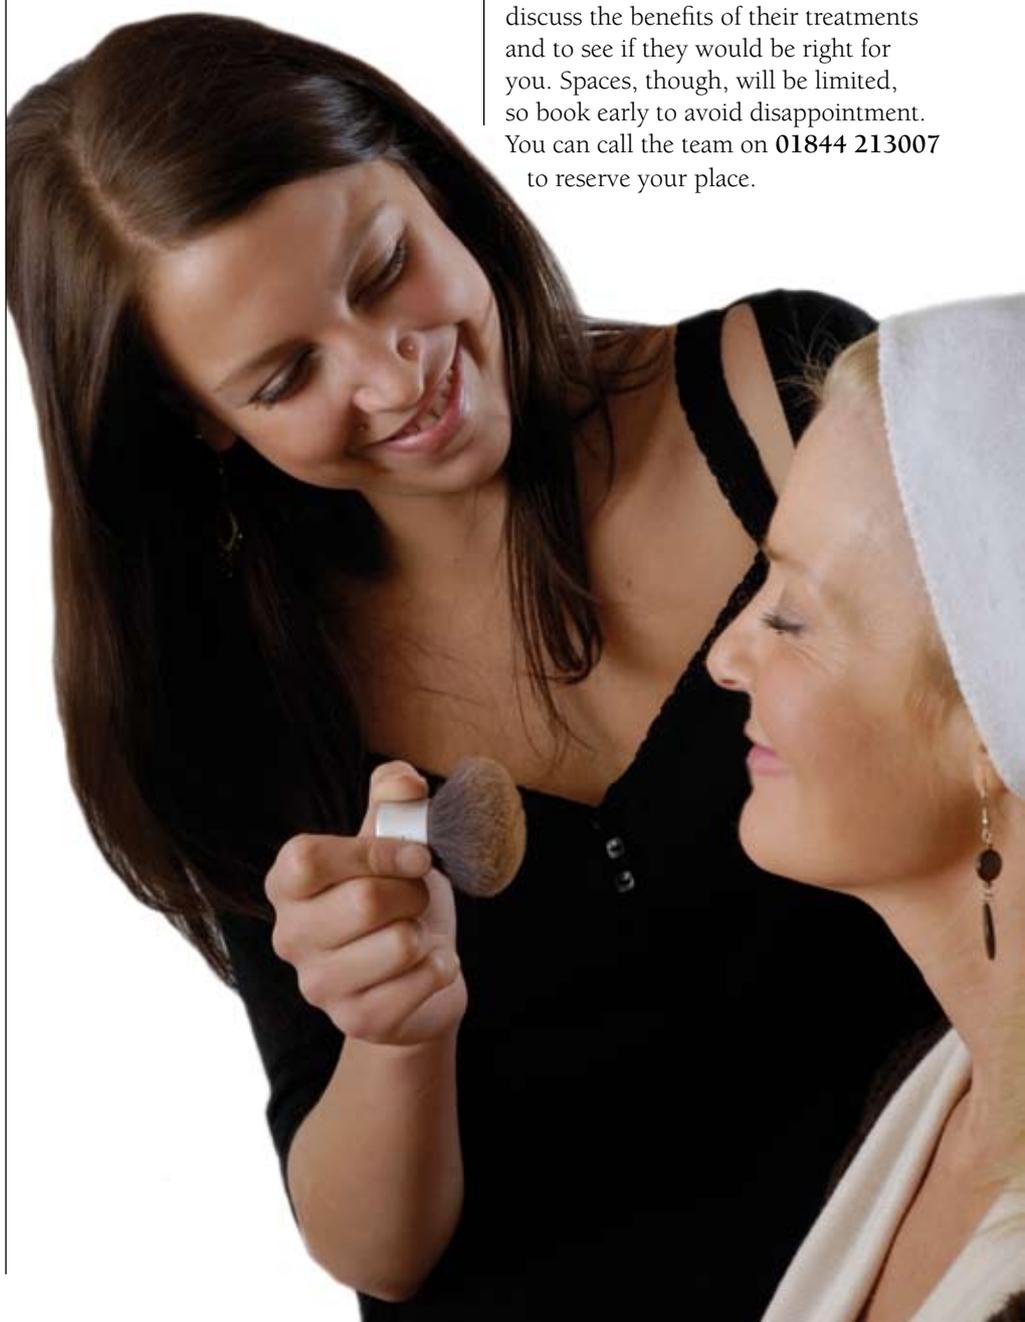

The MBNS team are really excited about their new 21st-century treatment, "micro-needling therapy" which offers nature a helping hand. This incredible new facial and body treatment is very much like acupuncture, as it stimulates blood flow as well as having an amazing ability to naturally stimulate the body's own collagen.

Clients at MBNS who have undergone this new treatment have been astonished at the reduction in the crêpey wrinkles of their complexions, the healthy new plumpness of their skin, and the reduction in patchy pigmentation. During the treatment, potent serums are massaged into the skin and penetrate down into the dermis where they brighten and feed the skin. So much so that MBNS clients have reported that they receive compliments from their girlfriends on "how great" their skin is looking.

You can book a consultation with one of the MBNS nurse specialists to see if microneedle therapy would be a beneficial treatment for you, or to discuss any of the medical aesthetic treatments offered at MBNS.

In fact, the nurses will be demonstrating this new treatment during the MBNS Open House Day on Saturday, 23rd January 2010 from 11am to 3pm. They will also be giving a talk about the success they have had

with Sculptra and its benefits. Why not reserve your place for a great afternoon out and find out more about these and other treatments MBNS can offer you? There will be drinks and nibbles, and the nurses and staff will be on hand to discuss the benefits of their treatments and to see if they would be right for you. Spaces, though, will be limited, so book early to avoid disappointment. You can call the team on **01844 213007** to reserve your place.

## CHRISTMAS – for looking great and for gift ideas

### With the party season quickly approaching, you will want to look your best right up to Christmas.

And what better way than making your skin look and feel healthy than with the ID Bare Mineral range of make up. For that cover-girl flawless complexion, why not splash out on one of the “new in for Christmas” brush kits to ensure complexion-perfection. The Bare Minerals range as used by Hollywood celebrities will really get your party started.

If you are unsure about this season's latest make up looks? Book a Free ID Bare Minerals Make Up Consultation when you buy a starter kit for yourself, or as a gift for someone.

Semi-permanent make-up is a special treatment that is also offered at MBNS. MBNS' own semi-permanent make up artist, Fay Verney will be at the clinic every Monday from 11am to 3pm up until Christmas to let you into the secrets and the benefits of this

specialised procedure. If you decide that semi permanent make –up is for you and you have the treatment before 23rd December, you will receive a **£50 discount**. Just imagine – smudge-free eyeliner and never having to pencil in sparse eyebrows again.

You can now find out even more about what is happening at MBNS on

their website:

[www.mbnclinic.co.uk](http://www.mbnclinic.co.uk)

You can also add them now on Facebook and Twitter.

### GIFT VOUCHERS

MBNS believe in the freedom to choose what you want, and the nurses will guide you during your consultation as to what would be the best course of treatment for you. However, if you are undecided what to get yourself or that special person this Christmas, then why not opt for an MBNS Gift Voucher which can be made up in any denomination you wish.
